

STARTING IN 2017...

PayPal employees have access to support for the whole family.

Help is a Phone Call Away.

“Usually when I request back-up care it is last minute and hectic in my household, but this program helps to ease the stress of making a last-minute care arrangement.”

In December 2016: Pre-register and create your profile

Starting January 1: Access back-up care

Your benefits include 10 annual days of high-quality, low-copay back-up care for your child in your home or \$15/\$25 in a center; \$6/hr in-homecare throughout the U.S. any time you need an extra hand.

Also, get free access to a comprehensive database of self-pay services: nannies and sitters for evening and weekend care; elder care resources, planning, and referrals; pet sitters; and homework help. Discounts and preferred enrollment access for regular center-based child care are available too.
